 to achieve the outcomes contained in the Schedule included in the Home Education Regulation.

In addition, I/We understand and agree that the instruction and evaluation of my/our child's progress is my/our responsibility and that the associate board or private school will supervise and evaluate my/our child's progress in accordance with the Home Education Regulation.

I/We understand and agree that the development, administration and management of the home education program is our responsibility.

Parents who provide home education programs acknowledge that there are implications when they choose to use programs different from the Alberta *Programs of Study*:

1. Students may not apply to a high school principal for high school credits.
2. Students may not receive an Alberta High School Diploma.

Any student in a home education program may write a high school diploma examination.
